These terms and conditions (“Terms”) outline the Terms on which Open Study College (“OSC”) supply the courses (the “Course(s)”) and course materials (the “Course Materials”) listed on our website <http://www.openstudycollege.com> (“Website”) to you. This includes the Courses listed on our Website which are provided via online study (“Online Courses”) and/or via study pack (“Study Pack Courses”) and all Course Materials including learning materials, books, DVD’s, specialist kits, software, support and tuition (where applicable) relating to any Courses.

Please read these Terms carefully before placing an order for any of our Courses. The Terms tell you who we are, how we will provide the Courses and Course Materials to you, how you and we may change or end the contract, what to do if there is a problem and other important information.

By ordering any of our Courses, you agree to be bound by these Terms, our Website Terms of Use and our Privacy Policy. Please understand that if you do not accept these Terms, you will not be able to order any Courses from our Website.

Our Website provides information on the Courses and other services offered by OSC. All Courses advertised on this Website are provided by approved OSC learning providers or by OSC itself.

Using our sole discretion, we reserve the right to refuse orders relating to any of the Courses we offer.

2. INFORMATION ABOUT YOU

2.1 You may have different rights within these Terms depending on whether you are a business or a consumer. You are a consumer if: (a) you are an individual; and (b) you are buying goods and Services from us wholly or mainly for your personal use (not for use in connection with your trade, business, draft or profession).

2.2 Clauses that apply only to business customers will be clearly identified. Clauses that apply only to consumers will be clearly identified. All other Clauses will apply to both business customers and consumers.

2.3 By placing an order for Courses through our Website, you warrant that you are: (a) capable of entering into a legally binding contract; and (b) at least 18 years old.

2.4 If you are a business, these Terms constitute the entire agreement between us in relation to your purchase. You acknowledge that you have not relied on any statement, promise, representation, assurance or warranty made or given by or on behalf of us which is not set out in these terms and

that you shall have no claim for innocent or negligent misrepresentation based on any statement in these Terms.

3. SERVICE AVAILABILITY

3.1 Our Website is intended for use only by people resident in the serviced countries OSC choose to operate with. We do not accept orders from outside these jurisdictions. A full list of these jurisdictions can be found in the “country” drop down box during online checkout on our Website. This information can also be requested by contacting info@openstudycollege.com.

4. REGISTRATION, PASSWORDS AND SECURITY

4.1 When you register your details on any part of the Website, you must ensure that the details provided by you on registration or on any subsequent occasion are complete and correct. You are required to inform us immediately of any changes to the information that you have provided so that we can communicate with you effectively.

5. PLACING AN ORDER

5.1 After placing an order, you will receive an email from us acknowledging that we have received your order. Please note that this does not mean that your order has been accepted. Your order constitutes an offer to us to buy Courses. All orders are subject to acceptance by us.

5.2 Once payment has been made and processed, either online or via telephone, acceptance of your order will be confirmed by email, at which point a contract will come into existence between you and us and you will be enrolled on the Course.

5.3 If we cannot accept your order we will inform you by email and where possible we will not charge you for the Courses. This might be because of unexpected limits on our resources which we could not reasonably plan for, because a credit reference obtained for you does not meet the minimum requirements (where you are paying via a monthly payment plan), because we have identified an error in the price description of the product, or where your payment (whether by card, BACs or cheque) is unsuccessful.

6. PROVISION OF COURSES AND DELIVERY OF COURSE MATERIALS

6.1 During the order process we will let you know when we will provide the Courses to you. We aim to fulfil your order within reasonable time of the order being placed, unless there are exceptional circumstances.

6.2 Any Course Materials will be sent by courier to the delivery address you have provided to us.

6.3 If our supply of the Courses or Course Materials are delayed by an event outside our control then we will contact you as soon as possible to let you know and we will take steps to minimise the delay. Provided we do this we will not be liable for delays caused by the event, but if there is a risk of

substantial delay you may contact us to end the contract and receive a refund for any Courses you have paid for but not received.

6.4 You will be responsible for the Study Pack Courses from the time they are delivered to the delivery address provided.

6.5 Ownership of the Study Pack Courses will only pass to you once we receive full payment of all sums due, including delivery charges.

7. COURSE MATERIALS

7.1 It is your responsibility to inspect the Course Materials as soon as you have received them and to inform us about any defects.

7.2 We do not make any commitment to you that the content of the Courses will meet any specific requirements that you have and we expect you to take reasonable care to verify that the Course in question will meet your needs. We do not make any commitment to you that you will obtain any particular qualification from your receipt of the Courses.

7.3 In some instances, when a course bundle containing two or more courses is purchased (“Course Bundle”), you will receive one Course/level at a time. This usually applies to Study Pack Courses that include software. This is to ensure you study the most up to date Course Materials and have the most recent version of software at time of study. Upon completion of each Course/level you will be required to call the Student Services Team on 03300 563100, option 2, to request the next Course within your Course Bundle.

8. OUR RIGHTS TO MAKE CHANGES/SUSPEND SUPPLY

8.1 We may change a Course: (a) to reflect the changes to the relevant syllabus and any relevant laws and regulatory requirements; and/or (b) to implement adjustments, improvements and updates.

8.2 These changes may impact the delivery, and your use of the Course as set out within Clause 6.3.

8.3 We may suspend the supply of a Course: (a) to deal with technical problems or make minor technical changes; (b) to update the Courses to reflect the changes to the relevant syllabus and any relevant laws and regulatory requirements; and (c) if you are paying via our “Monthly Payment Plan”) and you do not pay us for the Courses when you are supposed to and you still do not make payment within 14 days of us reminding you that payment is due, we may suspend supply of the Courses until you have paid us the outstanding amounts.

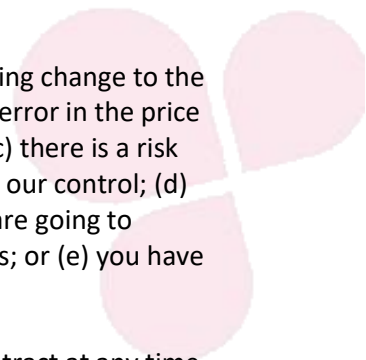

8.4 We will contact you to tell you when we are suspending supply of the Courses.

9. YOUR RIGHTS – CONSUMERS

9.1 The rights set out in this Clause 9 will only apply where you are a consumer.

9.2 If you are a consumer, you may have the right to end the contract where: (a) if you want to end the contract because of something we have done or have told you we are going to do; (b) if you are a consumer and have just changed your mind about the Course; (c) if what you have bought is faulty or misdescribed; or (d) in all other cases (if we are not at fault and you are not a consumer exercising your right to change your mind).

9.3 If you are ending the contract because of something we have done or are going to do we will refund you in full for any products which have not been provided and you may also be entitled to

compensation. This Clause will apply where; (a) we have told you about an upcoming change to the Courses or these Terms which you do not agree to; (b) we have told you about an error in the price or description of the Courses you have ordered and you do not wish to proceed; (c) there is a risk that supply of the Courses may be significantly delayed because of events outside our control; (d) we have suspended supply of the Courses for technical reasons, or notify you we are going to suspend them for technical reasons, in each case for a period of more than 90 days; or (e) you have a legal right to end the contract because of something we have done wrong.

9.4 Once you have placed an order for one of our Courses, you may cancel the contract at any time within fourteen days (the “Cooling Off Period”). Where you have purchased a service, the Cooling Off Period shall run from the date on which we emailed you in order to confirm our acceptance of your order. Where you have purchased goods, the Cooling Off Period shall run from the day after you received the goods. In this case, you will receive a full refund of the fee paid in accordance with our refunds policy below.

9.5 The Cooling Off Period will not apply, and you will not receive a refund in relation to any of the Courses provided by OSC (including those which are provided in conjunction with any other organisation such as The EXP Group) where: (a) once the Services have been completed; (b) where you have logged into or accessed the Course; (c) where you have broken a security seal on any item sealed for health and protection purposes; (d) where you have broken a security seal on any item including sealed or audio video recordings or sealed computer software; or (e) any products which become mixed inseparably with other items after their delivery.

9.6 To cancel a contract, you must inform us in writing by sending a cancellation letter by Royal Mail recorded delivery to our registered office address, or by email to info@openstudycollege.com. You must also return any Courses and Course Materials sent to you immediately, in the same condition in which you received them, and at your own cost and risk. A cancellation is not final until Course Materials are returned. You have a legal obligation to take reasonable care of the Course Materials whilst they are in your possession. If you fail to comply with this obligation, we may have a right of action against you for compensation.

9.7 If, in our sole opinion, any Courses (including any Course Materials) are not returned to us in the same condition you received them, you may be charged a replacement charge.

9.8 After the Cooling Off Period has elapsed, we cannot accept Courses or Course Materials being returned unless you have a statutory right to do so as set out below.

10. YOUR OBLIGATIONS – BUSINESS CUSTOMERS

10.1 When you purchase a Course as a business on behalf of an individual delegate our contract is with you the business and not to the individual undertaking the Course.

10.2 Course Materials and Study Pack Courses will be sent to you, the business, and it is your responsibility to ensure the individual delegate receives those documents.
